**Read the story about two friends below. (Přečtěte si příběh o dvou kamarádech.)**

***One house, two friends***

*Frank and Jimmy are best friends. They are both ten years old. Frank has one small brother who is only twelve months old and so he cannot really play with him now. Frank lives with his mum Helen in the same house as Jimmy's family, but on another floor. They both go to the same school and often sit together in the class. The only time when it isn't like that is when Frank has his music class and Jimmy goes to arts class. Frank plays the drums. He can play the piano too! His mum is a piano teacher and she teaches him. She is a musician and plays in the City Orchestra. Frank and Jimmy spend a lot of their free time together, they both like the same kind of music and Frank would like to be a musician one day. They often go to the cinema because they like action films. Jimmy loves superheroes like Spiderman or Superman.*

*Jimmy's mum's name is Camilla and his dad's name is Charles. Charles is a dentist and Camilla is a writer. She can work at home, but she often goes to some nice café and writes there. She writes stories for children and Jimmy likes her books too, because they are about fantastic animals that live on some new planets. Jimmy sometimes draws pictures with the animals from the book and together with Frank, they play that they are living on a different planet and they meet new things.*

*Frank's dad Rick is a singer and he travels around the world a lot. Right now, he is in Italy and he is singing with some famous band, but Frank doesn't know their name. He also doesn't really like his dad's job because his dad is often away from home, but his mum says that this is normal for singers. And when Frank is really sad, there is always their uncle Gerard. He lives in the same street and he comes every Saturday and plays with the boys when Helen has a concert. He always has something sweet for Frank, a new toy for Frank's little brother, he makes lunch and then they always go to the Zoo in the afternoon.*
